

7a. Quality Policy

An up to date copy of the Quality Policy can be requested from the MD or the Quality Rep named at the front of this document..

7b. Quality Objectives

A copy of the current ATL Quality Objectives can only be requested from the Managing Director or the Quality Representative.

7c. Communications & Interested Parties

An up to date copy of the organisation chart can be obtained on request from the MD.

ATL has identified all relevant parties, individuals and organisations that may play a part, or be affected by, our day to day activities. We have produced a Communications policy to ensure these parties have an understanding of the part they play and how we monitor and review the information we circulate. Copies of the policy can be requested from the MD.

The **ATL** Vision

With a full range of machining services, experienced staff and forward thinking strategies, we aim to exceed all our customer requirements.
